

"Celebrating 130 Years"

Office of the President

July 16, 2024

Dear New Texas College Student:

Let me be among the first to welcome you to Texas College. I am pleased to learn that you have an admission application with us, and I encourage you to fully complete it, if you have not already done so. I hope that you are encouraged to join us for the 2024 fall term, as we are excited about your being with us. And, if you are fully admitted, "Welcome Texas College Steer!"

You should know that Texas College is one of the oldest higher education institutions in East Texas. The College has been at the same location since 1894 with the offering of the Bachelor of Arts and Bachelor of Science degrees. Texas College also has two-degree offerings in the Associate of Arts; and upon completion you may enroll seamlessly in one of the baccalaureate programs. Over the years the College has graduated individuals who have become educators, scientists, professional actors, physicians, humanitarians, politicians, clergy and coaches, to name a few. We would be pleased to have you join one or more of these career fields as a proud alumnus. To assist you with your seamless entry, you are encouraged to:

- Complete and submit your application for federal financial aid (if this applies). You may apply online at www.studentaid.gov; the school code needed is: **003638**.
